Dear Michael:

On behalf of the Ocean View Beach Festival, it is my pleasure to once again request your entertainment services for this year's festival and thank you for last year's performance. Your dedication each year enables me to enthusiastically recommend you to others that plan and produce special events. Your flexibility in performing as part of a group or as single, acoustic performer is greatly appreciated. The individuals responsible for back stage logistics, security and sound production look forward to working with you each year as do I. Finally, your mix of blues and acoustic rock effectively adds to the quality of our entertainment each year. You certainly are a consummate professional.

As always, thanks for another great performance, we look forward to your return on Saturday, May 15, 1999.

Sincerely,

Mark A. Lasyone
